PRINTING PATTERNS:

Print 2 - one for cutting out pattern pieces (inside of the black lines) & one for a template to build on. Patterns fit on a standard letter size paper (8.5 x 11). Print at 100% scale on your printers settings. If size is altered or adjusted, line thickness will change & affect the outcome of assembly. Don't need every pattern printed? Simply select the desired pages in your printer settings to print.
